## APFPM Newsletter

January 2012

### Dear APFPM MA's and Friends

Greetings, and wishing everyone a most safe and happy New Year.

Late last year we decided to issue a *Quarterly Newsletter* to share general interest news and activities across our Associations. Also an update where appropriate on actions from our various Committees. This will strengthen our collaboration and encourage greater sharing across our Associations.

If you have a relevant story or news point please share it for our next Newsletter. We will aim to get the next issue out by the end of March 2012.

*Please send your Newsletter responses to me by 15 March.*

## Committee Memberships and Chairs

We intend to spill all current Committee Memberships and Chairs, and allow open re-nomination at our next meeting in March 2012. This is a common practice we will aim to do every two years or so in order to keep matters fresh and give new members the opportunity to join and be part of activities. When we established our original APFPM Committees nearly two years ago we only had six MA's on board, we now have over doubled our membership. This does not stop those of us on the current Committees from re-nominating of course.

For those who are unable to make it to our next meeting physically and yet are keen to nominate for Committee Membership or to Chair a Committee they will still certainly be able to do this. A note will be sent to all MA's at the time of issuing the meeting Agenda calling for nominations.

## APEC Synergy

We are currently investigating the suitability of seeking some APEC funding for the APFPM. The application process is not straight forward and involves quite a convoluted submission path through a number of APEC approval Committees. We will continue to explore this process and provide a full update for our next meeting.

## Next meeting

The next formal Meeting of the APFPM will be held in Hong Kong on 17 March 2012, to coincide with the APFPM Awards event. Any specific agenda items desired to be considered please send a note outlining requirement to the APFPM Secretary - Trevor Alex <[trevoralex01@gmail.com](mailto:trevoralex01@gmail.com)>.
